STIPULATION FOR CONTINUANCE OF FINAL HEARING ON PETITION FOR WRIT OF MANDAMUS; AND  
[PROPOSED] ORDER THEREON

1 Petitioners Citizens Oversight, Inc. and Patricia Borchmann ("Petitioners"), Respondent  
2 California Coastal Commission ("Respondent") and Real Party in Interest Southern California Edison  
3 Company ("Real Party") enter into the Stipulation For Continuance of Final Hearing on Petition for  
4 Writ of Mandamus ("Stipulation") set forth in Section II below. This Stipulation is based on the facts  
5 set forth in Section I below.

6 I.

7 RECITALS

8 A. Petitioners filed their Verified Petition for Writ of Administrative Mandate (C.C.P. §  
9 1094.5) and Complaint for Declaratory Relief ("Petition") on or about November 3, 2015.

10 B. On January 25, 2017, this Court entered an order approving the parties' Stipulation  
11 Concerning Preparation of the Administrative Record, Resolution of Pleading Issues, and Establishing  
12 Schedule for Briefing for Final Hearing on Petition for Writ of Mandamus. Pursuant to that Stipulation,  
13 the administrative record has been lodged and served, and all parties have filed all of their respective  
14 briefs.

15 C. Since the parties' submittal of a Stipulation on April 7, 2017 requesting a continuance  
16 of the final hearing date, settlement negotiations have proceeded in earnest. Sufficient progress has  
17 been made with respect to settlement such that, with additional time, an agreement may be reached,  
18 which would resolve this matter. Accordingly, the parties seek a short continuance of the final hearing  
19 date on the Petition, which is currently set for July 14, 2017.

20 II.

21 STIPULATION

22 The parties stipulate and agree as follows:

23 A. The final hearing date on the Petition may be continued to <sup>2pm</sup> ~~the first available hearing~~  
24 ~~date after August 30, 2017.~~ *9/12/17 @ 10:30am*

25 B. If a settlement is not reached and the final hearing on the Petition goes forward, no  
26 party shall file, lodge or serve any additional pleading, evidence or legal authorities at or before the  
27 continued final hearing. Instead, the final hearing on the Petition will proceed on the briefs, ancillary  
28

1 pleadings and administrative record filed as of the date of the April 7, 2017 Stipulation, and oral  
2 argument by the parties.

3 C. This Stipulation can be signed in counterpart, and this Stipulation can be filed with  
4 signatures submitted by PDF.
