Re: Voting Systems Incident Report

Dear Mr. Ross:

Alpine County is vote by mail only. We have no polling places. We have two Premier Election Solutions AccuVote TSX touchscreen units available in the County Clerk's Office on Election Day. No voters voted on either TSX unit. There were no reportable voting equipment incident reports on this unit. We use an AccuVote OS Central Count unit with an AccuFeed ballot feeder to count ballots. There were no reportable voting equipment incident reports on this unit.

Please contact me if further information is needed.

Sincerely,
